Hey Bernie and Tracy,

William Marsh shared some suggested edits from Dominion.

Thanks!

Brenda

Brenda,

This is what I got from that Dominion representative I mentioned in that voicemail earlier today. Thanks,

William

Robbie,

A couple more comments:

Page 22 needs further scrutiny

Page 122 discusses cell phone antennas. We have been contacted to put antennas on streetlight poles but this states they should be on rooftops (which is good).

John,

Not sure if you got this. I glanced through the information and their appear to be no changes to the paragraph stating developers should install underground infrastructure to facilitate future development (pg. 135). Thanks.

Robbie

Re: Revision of the Tysons Comprehensive Plan

- I. The Comprehensive Plan for Tysons is now being revised.
 - A. A red-line draft of proposed edits is available at:
<http://www.fairfaxcounty.gov/tysons/tysonsdraft91115.pdf>
 - B. Some recommended changes are simply style & punctuation edits, and updates of facts.
 - C. Some recommended changes may have substantive implications.

- II. The Partnership is preparing its response to the proposed edits.
 - A. The Partnership Executive Committee created a Comp Plan Task Force, co-chaired by Greg Riegle & Stu Mendelsohn
 - B. The Task Force has 3 subject-matter sub-committees, each of which will craft a recommendation to the Task Force:
 - Land Use
 - Roads & Transportation
 - Parks & Recreation
 - C. Each sub-committee will meet once by telephone conference call

- III. You will later today receive three Outlook meeting invitations, **one for each subject-matter** sub-committee
 - A. October 27, 2pm – Land Use
 - B. October 28, 2pm – Roads & Transportation
 - C. October 29, 9am – Parks & Recreation
